Introducing the EPL Crown Branch

VIRTUAL AQUARIUM

Here's how
it works!

1 CREATE!

Draw, create or
color a sea
creature

It can be a "real" sea
creature - or anything your
imagination can dream up!

We'd love to see
your own creations,
but you can also
use coloring sheets.

2 SNAP!

Take a picture of your sea creature.

3 SHARE!

Share the image file with us.

Upload it using this
Google form

*(must be signed into
Google account)*

OR

send it by email to
sbattle@cityofevanston.org

4 ENJOY!

See your creation brought to life here!
